

AJEETH KUMAR S

Senior Frontend Developer | React.js Developer

Chennai, India | +91 72006 95913 | ajeethkumar15ee002@gmail.com | [linkedin.com/in/ajeethkumar](https://www.linkedin.com/in/ajeethkumar)

PROFESSIONAL SUMMARY

Frontend Developer with 4+ years of professional experience specializing in **React.js**, **JavaScript (ES6+)**, **TypeScript**, **Redux**, HTML5, and CSS3. Experienced in developing scalable, responsive, and high-performance web applications using reusable React components, React Hooks, React Router, state management, and **RESTful API integration**. Strong expertise in frontend **performance optimization**, **code splitting**, **lazy loading**, **responsive web design**, **cross-browser compatibility**, and component-based architecture. Proven experience maintaining **250+ real estate websites** and reducing initial page load time by **10%** through frontend optimization. Experienced in Agile Scrum, Git-based development, **code reviews**, debugging, production deployments, and application monitoring using **Grafana** and **Kibana**.

CORE COMPETENCIES

React.js • Frontend Development • JavaScript • TypeScript • Redux • React Hooks • React Router • Functional Components • RESTful APIs • API Integration • Reusable Components • State Management • Component-Based Architecture • Responsive Web Design • Cross-Browser Compatibility • Performance Optimization • Code Splitting • Lazy Loading • Async/Await • Promises • HTML5 • CSS3 • Bootstrap • Webpack • Babel • Git • Docker • Agile Scrum

TECHNICAL SKILLS

Programming Languages: JavaScript (ES5, ES6+), TypeScript

Frontend: React.js, React Hooks, Functional Components, React Router, Redux, Redux Forms, HTML5, CSS3, Bootstrap, jQuery

API & Integration: REST APIs, RESTful API Integration, Google Maps API, Firebase Cloud Messaging (FCM), Async/Await, Promises

Performance & Web Development: Code Splitting, Lazy Loading, Performance Optimization, Responsive Web Design, Cross-Browser Compatibility, Asset Optimization, Reusable Components

Build & Development Tools: Webpack, Babel, Gulp, Docker, Git, GitHub, GitLab, VS Code, Postman

Monitoring & Debugging: Grafana, Kibana, Browser Developer Tools

Methodologies: Agile Scrum, Sprint Planning, Code Reviews, Production Deployment

PROFESSIONAL EXPERIENCE

SENIOR SOFTWARE ENGINEER – FRONTEND DEVELOPER (REACT.JS) | Dec 2025 – Present
Mobius Knowledge Services Pvt. Ltd., Chennai, India | Project : Vue.ai Platform

AI-powered retail technology platform focused on product discovery, personalization, visual merchandising, and customer shopping experiences.

- Develop and maintain scalable frontend applications using **React.js**, **JavaScript (ES6+)**, **TypeScript**, **Redux**, HTML5, CSS3, and Bootstrap.
- Architected application-wide state management with **Redux**, streamlining data flow across **20+ components** and enabling predictable, scalable state across frontend modules.
- Engineered reusable, component-based **React.js** modules that improved application scalability, maintainability, and development efficiency.
- Accelerated application load performance via **Code Splitting**, **Lazy Loading**, and reusable components, reducing initial bundle size by approximately **15%**.
- Integrated **REST APIs** to synchronize frontend and backend systems, enabling seamless real-time data communication.
- Engineered **Subresource Integrity (SRI)** checks for CSS and JavaScript libraries, strengthening frontend security against unauthorized resource modifications.

- Troubleshoot frontend production issues using **Grafana** and **Kibana**, improving application stability and reducing incident resolution time.
- Collaborated with a cross-functional team of **6 engineers** through Sprint Planning, **Code Reviews**, and Production Deployments in an Agile Scrum environment.

Technologies: React.js, Redux, JavaScript, TypeScript, HTML5, CSS3, Bootstrap, REST APIs, Webpack, Babel, Gulp, Docker, Git, Grafana, Kibana, Agile Scrum

JUNIOR SOFTWARE DEVELOPER – REACT.JS DEVELOPER | Mar 2022 – Dec 2025

Rifluxyss Softwares Pvt. Ltd., Chennai, India | Project: PalmAgent

Real estate property management and marketing platform supporting real estate professionals and businesses.

- Built and maintained **250+ real estate websites** using **React.js**, delivering scalable, responsive, and cross-browser-compatible web applications.
- Engineered reusable **React.js** components and managed application state using React, **Redux**, **Redux Forms**, and **TypeScript**, improving scalability and maintainability.
- Developed responsive user interfaces using React.js, HTML5, CSS3, Bootstrap, and **JavaScript (ES6+)**.
- Integrated **Google Maps API**, enabling interactive location search and map-based functionality across client sites.
- Upgraded Safari push notification support and implemented **Firebase Cloud Messaging (FCM)**, improving reliable delivery of web push notifications.
- Developed lead generation calculators that improved user engagement and customer interaction.
- Reduced initial page load time by **10%** through code optimization, asset management, and modern JavaScript techniques (**Async/Await, Promises**).
- Ensured responsive design and **cross-browser compatibility** across 250+ production websites.

Technologies: React.js, Redux, Redux Forms, TypeScript, JavaScript ES6+, HTML5, CSS3, Bootstrap, REST APIs, Google Maps API, Firebase Cloud Messaging, Git

EDUCATION

Bachelor of Engineering (B.E.) – Electrical and Electronics Engineering - 71 % June 2015 - May 2019
Muthayammal Engineering College, Rasipuram, Namakkal

Secondary School Leaving Certificate (SSLC) - Tamil Nadu State Board - 75% June 2012 - March 2013
Bharathi Vidyalaya Hr Sec School, Maravaneri, Salem

Higher Secondary Certificate (HSC) - Tamil Nadu State Board - 65% June 2014 - March 2015
Bharathi Vidyalaya Hr Sec School, Maravaneri, Salem

CERTIFICATIONS

Embedded Systems Course - Vector India Institute, Chennai Dec 2020 - Dec 2021

ADDITIONAL INFORMATION

Languages: English, Tamil.

Awards/Activities: Best Performer Award (Sep 2022 & Jun 2023) from Rifluxyss Softwares Pvt. Ltd.
